COUNCIL ACTION (6.A. and 6.B.):**APPROVED**

Mayor Pro Tem Siddiqui moved to approve the consent agenda, as presented. Councilmember Grant seconded the motion. For: Unanimous. The motion carried by a vote of 7 to 0.

7. INDIVIDUAL CONSIDERATION**Move to Item 7.F.**

Councilmember Grant moved to consider Item 7.F. prior to consideration of Item 7.A. Mayor Pro Tem Siddiqui seconded the motion. For: Unanimous. The motion carried by a vote of 7 to 0.

- F. Consider and/or act on proposed guidelines and application for a MCDC Community Enhancement Grant Program.

MCDC Board President Jennifer Berthiaume presented the Council the MCDC's proposed guideline for a community grant program. President Berthiaume stated that the MCDC had awarded small amounts of money over the last year for small projects that beautify the City.

Council inquired as to funding guidelines, the budgeting process, types of projects and the how the previously discussed 501(c)3 program would integrate into the grant program.

Council stated that they though the grant project was a fantastic idea and a great way to get more people involved in the community.

COUNCIL ACTION (7.F.):**APPROVED**

Councilmember Grant moved to approve program guidelines and application for the MCDC Community Grant Program. Councilmember Bradley seconded the motion. For: Unanimous. The motion carried by a vote of 7 to 0.

Return to Item 7.A.

- A. Consider and/or act on the City of Murphy Water Conservation and Drought Management Ordinance (Ordinance 11-10-897).

MURPHY CITY COUNCIL MINUTES
May 6, 2014

City Manager James Fisher stated that the City was still on water restrictions and North Texas Municipal Water District (NTMWD) is still set at Stage 3 which allows watering once every two weeks.

Councilmember Bradley stated there are cities within the NTMWD that are on a weekly watering schedule and inquired as to whether the City should allow weekly watering.

Mr. Fisher stated there was not an easy answer as water needs to be conserved.

Mayor Barna indicated he did not have a problem with keeping the watering schedule at twice per month for the month of May.

Councilmember Thomas inquired as to how other NTMWD member cities were allowing more frequent watering. Mr. Fisher stated that he has not seen anything from NTMWD that indicates how they handle cities that do not follow NTMWD recommendations.

COUNCIL ACTION (7.A.):

APPROVED

Mayor Pro Tem Siddiqui moved to continue with the current drought management plan. Deputy Mayor Pro Tem St. Clair seconded the motion. For: Unanimous. The motion carried by a vote of 7 to 0.

- B. Consider and/or act on the study request by the City of Murphy to the North Texas Municipal Water District to address the future wastewater needs for the Cities of Murphy and Wylie and authorize the City Manager to participate in the study and proceed with the request.

Mr. Fisher stated the wastewater plant was nearing 70% capacity and the state requires a study on future needs once the 70% mark is met.

Councilmember Grant inquired as to where the money to fund the study would come from. Mr. Fisher and Finance Director Linda Truitt explained that the study was a cost share with the City of Wylie through the Muddy Creek Wastewater Treatment Plant operating budget, ultimately coming from the city's utility fund budget. Mr. Fisher stated the total study amount is \$141,483 to be shared with the City of Wylie.

COUNCIL ACTION (7.B.):

APPROVED

Deputy Mayor Pro Tem St. Clair moved to authorize the City Manager to proceed with the request and to participate in the study to address the future wastewater needs for the Cities of Murphy and Wylie. Mayor Pro Tem Siddiqui seconded the motion. For: Unanimous. The motion carried by a vote of 7 to 0.

- C. Consider and/or act upon authorizing the City Manager to execute an Agreement for Video Streaming Services with Swagit Productions, LLC, to provide video recordings and streaming of City Council Meetings.

Mr. Fisher stated that this was a project in the works for a while and he had recently been approached by the Murphy Chamber of Commerce as they had plans to begin video recording the Council meetings on their own.

MURPHY CITY COUNCIL MINUTES
May 6, 2014

IT Manager Wendle Medford stated that he had been researching video streaming of Council meetings for the past three years and is confident that Swagit Productions would provide the best product.

Mr. Medford and City Secretary Kristi Gilbert answered questions regarding storage of data, records management of audio recordings and video recordings and search functions.

Mayor Barna stated that he was for the video streaming; however, he would like to consider it during the FY 15 budget discussions. Councilmember Bradley echoed the Mayor's concerns and stated that the robust technology should be considered within the context of the budget.

Alex Acuna, 222 Amanda Court – Mr. Acuna stated that the Chamber of Commerce has already engaged a company to perform the video streaming of Council meetings as part of a larger project. Mr. Acuna stated that the Council videos will be more entertaining than what the Council would use.

Councilmember Grant stated that he had been asking for this particular item for three years and stated that waiting additional three months would not hurt. Councilmembers Thomas and Nichols-Spraggins agreed to wait until budget

COUNCIL ACTION (7.C.):

NO ACTION

No action was taken on Item 7.C.

- D. Consider and/or act upon approval of an ordinance amending the FY 2013-2014 revenue, expenditure budgets and fund balances for the General Fund, Utility Fund, Murphy Municipal Development District and the Debt Service Fund.

Ms. Truitt stated the general fund revenues would increase by \$150,000 reflecting the tax notes. Ms. Truitt stated the expenses in the amount of \$661,000 were as a result of the Grant Road project and the animal shelter.

Ms. Truitt stated the Utility Fund was being increased by \$30,000 for the utility rate study.

Ms. Truitt stated the Municipal Development District budget was being amended to reflect \$850,000 revenue in tax notes and the expenditures would be increased to reflect several miscellaneous items.

Ms. Truitt stated that the Debt Service fund was also being amended as a result in an amendment to the general fund budget.

COUNCIL ACTION (7.D.):

APPROVED

Mayor Pro Tem Siddiqui moved to approve an ordinance amending the FY 2013-2014 revenue, expenditure budgets and fund balance for the General Fund, Utility Fund, Murphy Municipal Development District and the Debt Service Fund. Deputy Mayor Pro Tem St. Clair seconded the motion. For: Unanimous. The motion carried by a vote of 7 to 0. (*Ordinance 14-05-976*)

- E. Discuss, consider and/or act upon the Utility Rate Study as presented by NewGen Strategies & Solutions.

Chris Ekrut with NewGen Strategies & Solutions, discussed with Council prior policy directives, projected financial performance and initial rate adjustment recommendations. Mr. Ekrut explained that the NTMWD fees have been separated to clarify the cost of water from NTMWD.

Mr. Ekrut stated his recommendation would be to reduce the base water meter charge from \$25.00 to \$20.00 and suggested consistent rate block differences. Mr. Ekrut recommended not changing the rate blocks at this time.

Mr. Ekrut stated his recommendation with regard to wastewater rates is to charge all customers the same and reduce the base charge from \$20.00 to \$18.00. Mr. Ekrut recommended maintain the winter average billing.

Mr. Ekrut stated staff must monitor rates on a monthly basis and immediate action should be contemplated if there are variances not foreseen in the study.

Councilmember Bradley recommended a special work session solely to discuss the rate study, Councilmember Grant agreed. Members of the Council discussed reviewing projected fees for FY15 for surrounding cities and reviewing the rate model used to generate the projected bills.

Keith Patton, 451 Poindexter – Mr. Poindexter suggested that the difference between summer and winter months with regard to larger lot sizes be evaluated.

COUNCIL ACTION (7.E.):

NO ACTION

No action was taken on Item 7.E.

8. CITY MANAGER/STAFF REPORTS

City Council Meeting May 20, 2014

Issue

Consider and take action, if any, on the approval of a Resolution authorizing continued participation with the steering committee of cities served by Oncor; and authorizing the payment of 10 cents per capita to the steering committee to fund regulatory and legal proceedings and activities related to Oncor Electric Delivery Company, LLC for 2013 and approval of a Resolution authorizing continued participation with the steering committee of cities served by Oncor; and authorizing the payment of 11 cents per capita to the steering committee to fund regulatory and legal proceedings and activities related to Oncor Electric Delivery Company, LLC for 2014.

Staff Resource/Department

Linda Truitt, Finance Director

Background

The City of Murphy, Texas is a member of a 150-member city coalition known as the Steering Committee of Cities Served by Oncor. The resolution for the assessment of ten cent (\$0.10) for 2013 was not presented for approval in 2013; therefore, it is included in this agenda item as well as the resolution approving the assessment of an eleven cent (\$0.11) per capita fee to fund the activities of the Steering Committee for 2014.

Why this Resolution is Necessary

The Steering Committee undertakes activities on behalf of municipalities for which it needs funding support from its members. Municipalities have original jurisdiction over the electric transmission and distribution rates and services within the city. The Steering Committee has been in existence since the late 1980s. It took on a formal structure in the early 1990s when cities served by TXU (since renamed as Oncor Electric Delivery Company, LLC) gave up their statutory right to rate case expense reimbursement in exchange for higher franchise fee payments. Empowered by city resolutions and funded by per capita assessments, the Steering Committee has been the primary public interest advocate before the Public Utility Commission, ERCOT, the courts, and the Legislature on electric utility regulation matters for nearly two decades.

The Steering Committee is actively involved in rate cases, appeals, rulemakings, and legislative efforts impacting the rates charged by Oncor Electric Delivery Company, LLC within the City. Steering Committee representation is also strong at ERCOT. It is possible that additional efforts will be necessary on new issues that arise during the year, and it is important that the Steering Committee be able to fund its participation on behalf of its member cities. A per capita assessment has historically been used, and is a fair method for the members to bear the burdens associated with the benefits received from that membership

Explanation of "Be It Resolved" Paragraphs

I. The City is currently a member of the Steering Committee; this paragraph authorizes the continuation of the City's membership.

II. This paragraph authorizes payment of the City's assessment to the Steering Committee in the amount of ten cents (\$0.10) per capita, based on the population figure for the City as shown in the latest TML Directory of City Officials for 2013 and payment of the City's assessment to the Steering Committee in the amount of eleven cents (\$0.11) per capita, based on the population figure for the City as shown in the latest TML Directory of City Officials for 2014.

City Council Meeting
May 20, 2014

III. This paragraph requires notification to the Chair of the Steering Committee, Jay Doegey, that the City has adopted the Resolution.

Financial Considerations

The cities 2013 membership assessment is \$0.10 per population of 17,708 which equates to \$1,770.80 for 2013 while the cities 2014 membership assessment is \$0.11 per population of 18,960 which equates to \$2,085.60 for FY 2014.

Staff Recommendation

Approval of the resolution as presented.

MEMORANDUM

TO: Steering Committee of Cities Served by Oncor

FROM: Jay Doegey, Chair

DATE: March 28, 2013

RE: **Action Needed – 2013 Membership Assessment Invoice**

Enclosed please find the 2013 Steering Committee of Cities Served by Oncor (“Steering Committee”) membership assessment invoice and draft resolution for renewal of your membership with the Steering Committee. These items are discussed below. We ask that your city please take action on the membership assessment as soon as possible.

Although the Steering Committee does not require that your city take action by resolution to approve the assessment, some members have requested a resolution authorizing payment of the 2013 membership assessment. Payment of the membership assessment fee shall be deemed to be agreement with the terms of the Steering Committee participation agreement.

Please forward the membership assessment fee and, if applicable, the signed resolution to Jay Doegey, Chair, Steering Committee of Cities Served by Oncor, c/o City Attorney’s Office, Mail Stop 63-0300, P.O. Box 90231, Arlington, Texas 76004-3231. Checks should be made payable to: *Steering Committee of Cities Served by Oncor*. If you have any questions, please feel free to contact me at (817/459-6878) or Geoffrey Gay (ggay@lglawfirm.com, 512/322-5875) or Thomas Brocato (tbrocato@lglawfirm.com, 512/322-5857).

Membership Assessment Invoice and Resolution

The Steering Committee is the most active consumer group advocating the interests of cities and residential and small commercial customers within the cities to keep electric transmission and distribution (*i.e.*, wires) rates reasonable. Steering Committee activities protect the authority of municipalities over the regulated wires service and rates charged by Oncor Electric Delivery Company, LLC.

The work undertaken by the Steering Committee has saved cities and ratepayers millions of dollars in unreasonable charges. In order to continue to be an effective voice before the Public Utility Commission of Texas (“Commission” or “PUC”), ERCOT, the Legislature, and in the courts, the Steering Committee must have your support. The membership assessment is deposited in an account which funds Steering Committee activities.

One of the Steering Committee’s biggest achievements from 2012 was the successful prosecution of a rate case with Lone Star Transmission, LLC (“Lone Star”). Lone Star is a new-entrant to the Texas market and provides only transmission services. Lone Star and other companies (such as, Cross Texas Transmission, LLC (“Cross Texas”) and Wind Energy Transmission Texas, LLC (“WETT”)) were selected by the Commission to construct and operate certain Competitive Renewable Energy Zone transmission projects. The Lone Star case was highly contested and went to

a full hearing before an administrative law judge in the summer of 2012. The result was good for consumers: the judge, and ultimately the Commission, rejected much of Lone Star's overreaching rate request, reducing it nearly by half. CTT and WETT also filed initial rate cases in 2012. Those rate cases settled based upon parameters set in the Lone Star case. Overall, the Steering Committee's participation in these rate cases resulted in a savings of over \$20 million in transmission costs to Texas consumers.

In 2012, the Steering Committee also remained involved in various rulemakings and projects at the PUC. Chief among those rulemakings was the Steering Committee's participation in discussions regarding whether Texas has sufficient generation resources to meet peak summer demand. The Steering Committee vigorously defended against proposals to turn the ERCOT market into a capacity market, which would guarantee higher rates for Texans by paying generation resources even when resources are not providing energy. The Steering Committee was also active in the Commission's re-writing of the energy efficiency rules and the Commission adopted many of the Steering Committee's recommendations. This is important to cities because it keeps the energy efficiency charge on electric bills lower than would be without the participation of the Steering Committee. The Steering Committee also participated in Oncor's Energy Efficiency Cost Recovery Factor ("EECRF") proceeding, which is the annual proceeding to determine the surcharge to fund the Commission's energy efficiency program.

In late 2013 or 2014, it is likely that Oncor's parent company, Energy Future Holdings, will go through bankruptcy. It will be important for the Steering Committee to monitor and perhaps participate in those proceedings to protect city residents and ratepayers.

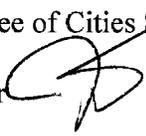

On December 13, 2012, the Steering Committee approved the 2013 assessment for Steering Committee membership. Based upon the population-based assessment protocol previously adopted by the Steering Committee, the assessment for 2013 is a per capita fee of \$0.10 based upon the population figures for each city shown in the latest TML Directory of City Officials. In addition, the budget provides for \$12,000 to pay \$1,000 per month to the City of Arlington for administrative services. The enclosed invoice represents your city's assessment amount.

To assist you in the assessment process, we have attached several documents to this memorandum for your use:

- Model resolution approving the 2013 assessment (optional, provided for those cities that have requested a resolution to authorize payment)
- Model staff report supporting the resolution
- List of Steering Committee members
- 2013 Assessment invoice

Membership Assessment Invoice and Resolution

The Steering Committee is the most active consumer group advocating the interests of cities and residential and small commercial customers within the cities to keep electric transmission and distribution (*i.e.*, wires) rates reasonable. Steering Committee activities protect the authority of municipalities over the regulated wires service and rates charged by Oncor Electric Delivery Company, LLC.

The work undertaken by the Steering Committee has saved cities and ratepayers millions of dollars in unreasonable charges. In order to continue to be an effective voice before the Public Utility Commission of Texas (“Commission” or “PUC”), ERCOT, the Legislature, and in the courts, the Steering Committee must have your support. The membership assessment is deposited in an account which funds Steering Committee activities.

In 2013, the Steering Committee remained involved in various rulemakings and projects at the PUC. Chief among those rulemakings was the Steering Committee’s participation in discussions regarding whether Texas has sufficient generation resources to meet peak summer demand. The Steering Committee vigorously defended against proposals to turn the ERCOT market into a capacity market, which would guarantee higher rates for Texans by paying generation resources even when resources are not providing energy. The Steering Committee was also active in the Commission’s re-

writing of the energy efficiency rules and the Commission adopted many of the Steering Committee's recommendations. This is important to cities because it keeps the energy efficiency charge on electric bills lower than would be without the participation of the Steering Committee. The Steering Committee also participated in Oncor's Energy Efficiency Cost Recovery Factor ("EECRF") proceeding, which is the annual proceeding to determine the surcharge to fund the Commission's energy efficiency program.

This year, it is likely that Oncor's parent company, Energy Future Holdings, will go through bankruptcy. It will be important for the Steering Committee to monitor and perhaps participate in those proceedings to protect city residents and ratepayers.

On December 12, 2013, the Steering Committee approved the 2014 assessment for Steering Committee membership. Based upon the population-based assessment protocol previously adopted by the Steering Committee, the assessment for 2014 is a per capita fee of \$0.11 based upon the population figures for each city shown in the latest TML Directory of City Officials. The enclosed invoice represents your city's assessment amount.

To assist you in the assessment process, we have attached several documents to this memorandum for your use:

- OCSC 2013 Year in Review
- Model resolution approving the 2014 assessment (optional, provided for those cities that have requested a resolution to authorize payment)
- Model staff report supporting the resolution
- List of Steering Committee members
- 2014 Assessment invoice
- 2013 Assessment invoice and statement (only if not yet paid)
- Blank member contact form to update for distribution lists

City Council Meeting
May 20, 2014

Issue

Consider and/or act upon nominations and election for Mayor Pro Tem.

Staff Resource / Department

Kristi Gilbert, City Secretary

Summary

1. Mayor Barna will call for nominations for the Mayor Pro Tem.
2. Any council member may make a nomination; however, there is only one nomination per member. A second is **not** required.
3. After nominations are closed, Mayor Barna will call for a vote beginning with the first nomination and will continue until a nomination receives a majority vote.
4. If no nomination receives the majority of votes, then Mayor Barna will reopen the nominations.

City of Murphy Charter:

SECTION 3.05 Mayor, Mayor Pro-Tem and Deputy Mayor Pro-Tem

(1) The Mayor shall attend and preside at meetings of the City Council, and shall be recognized as head of the City government for all ceremonial purposes, and by the Governor for purposes of military law, but shall have no regular administrative duties. The Mayor may participate in the discussion of all matters coming before the City Council and shall have a vote as a member thereof, on legislative or other matters, unless otherwise prohibited by law, and shall have no power to veto.

(2) The Mayor shall also represent the City in intergovernmental relationships, and shall perform other duties specified by the City Council, imposed by this Charter and by ordinances and resolutions passed in pursuance thereof. Additionally, the Mayor, the City Manager, or designee shall sign, after authorization by the City Council, all contracts and conveyances made or entered into by the City and all bonds, warrants and any other obligation issued under the provisions of this Charter, in the manner prescribed in the ordinance or resolution authorizing the signing of any such obligation.

(3) The Mayor Pro-Tem shall be a Council Member elected to be the Mayor Pro-Tem by the City Council at the first meeting of each Council after each election or as soon thereafter as practicable, but not later than the last business day of July in the year that the election was held. The Mayor Pro-Tem shall act as Mayor during the disability or absence of the Mayor and in this capacity shall have the rights conferred upon the Mayor.

(4) The Deputy Mayor Pro-Tem shall be a Council Member elected to be the Deputy Mayor Pro-Tem by the City Council at the first meeting of each Council after each election or as soon thereafter as practicable, but not later than the last business day of July in the year that the election was held. The Deputy Mayor Pro-Tem shall act as Mayor during the disability or absence of the Mayor and Mayor Pro-Tem, and in this capacity shall have the rights conferred upon the Mayor.

City Council Meeting
May 20, 2014

Issue

Discuss, consider and/or act upon the Utility Rate Study as presented by NewGen Strategies & Solutions.

Background

On February 18, 2014 the City Council approved a contract with NewGen Strategies & Solutions to perform a utility rate study.

Chris Ekrut of NewGen Strategies & Solutions presented a preliminary report regarding the utility rate study at the April 15, 2014 meeting. At that meeting, several items were reviewed and discussed. Chris Ekrut of NewGen Strategies & Solutions presented and reviewed the findings and recommendations of the utility rate study at the May 6, 2014 city council meeting. The presentation was sent to council under separate cover and was posted on the website. Council requested that the utility rate study be placed on the next agenda for additional discussion and consideration.

Action Requested

If Council wishes to change the utility rates based on the study and presentation discussion, then staff will need to prepare an ordinance that will reflect your intentions. This ordinance can be brought back on June 3rd for your consideration of action.
